No Louder Sound Than Love

Thank you so much for your prayers for Fall Conference. We had a special time with students from Tampa, Orlando, and Jacksonville as we all gathered together at the Word of Life Camp in Hudson, Florida.

Throughout the weekend our goal was to focus on three key concepts: The Gospel, Community, and Mission. Pastor Felipe Assis from Miami gave the first two messages that centered on our experience of the gospel. If you would like to hear them, they can be found at: <http://www.noloudersound.com/media>.

Then a member of Cru's staff, Demarick Patton, finished out the weekend's messages. Demarick serves with a team called "100 Percent Sent." Their goal is to help the Cru movements launch students from the campus to a lifetime of helping fulfill the Great Commission. Demarick challenged the students to live out true community with one another on Saturday night and gave them practical steps to take on Sunday morning to build spiritual movements on their campuses.

Along with the main meetings, the students enjoyed many free-time activities like cooking S'mores by a camp fire and playing sports together. Kerri and I helped to lead an optional seminar on relationships on Saturday afternoon as well.

One highlight for us was getting to spend time with our new staff couple, Dan

and Anna Luddeke. They took a couple days off from raising up their team of ministry supporters to join us for Friday and Saturday of the retreat. It was great to have that connection with them and for them to meet many of the current students involved with our ministry in Tampa.

Here are a few comments from students about the weekend getaway:

"As a senior I was really excited to see so many freshman girls come, open up, and really plug into the movement. It's exciting to see how God has used me over that last 4 years and is now raising up new students at USF to continue His plan." - Lauren P.

"Fall retreat was a great opportunity for me to set aside my busy life and open my heart to what the Lord has for me. It was also a blessing because I got to pour into the lives of others and see how God was drawing people closer into his body." - Brian N.

"Fall Retreat was great for me. It really opened my eyes in how I was trying to become a better Christian by trying to eliminate sinful actions, rather than loving Christ for who he is and what he did, and let my actions be a product of that love. I lost track of the whole reason I was trying to become more Christ-like, and that weekend I realized I need to get back to just loving Christ for his beauty." Scott M.

"Fall Conference was an incredible rejuvenation of my faith. God revealed so much to me about Him and myself." - Robbie D.

Thanks so much for your support of our ministry. We appreciate your prayers, financial support and friendship very much.

**Love,
John and Kerri**
